Guided functional movement in your own home

Champion Life Seniors is a new program designed and developed specifically by health professionals for older adults.

It involves functional movement designed to improve strength, balance and conditioning to help you perform everyday tasks keeping you physically fit for gardening, personal care, cooking or keep up with family and friends!

Champion your own life and **live life... better!**

The program involves a weekly one on one session in your home with one of our care staff taking you through a personalised exercise program.

To find out more please register your interest by calling our friendly team on **1300 761 011**
